## ESTIMATES & PRICING

The prices for residential & commercial cleaning are depending upon a number of factors, like square footage, or time needed for cleaning, but can roughly be divided into two categories: Regular & Post-Construction Cleaning. Post-Construction cleaning involves more intensive labour and detailing and will be more expensive of two.

Regular minimum cleaning time is 4 hours. If cleaning involves MORE than minimum time, the price will be determined on estimated flat rate basis or based as additional hours. Discretionary is taken into account on jobs and estimates and performance, then based on service given.

If you like to cancel your scheduled cleaning we require 48 hour cancellation - within 48 hours then only half of your scheduled bill will be charged. Within 24 hours or on arrival the LNM Cleaning are cancelled the total bill will be due.

An average cost for house cleaning based approximately quoted price 30\$ per person per hour.

- If there is a deposit given/ upfront deposit is secured by wire transfer or money order for job ticket. If there is a credit it will be returned for a job done within two to four weeks of notification date.
  - A notification phone call will be give in need to secure more funds for a work Order Ticket if required.
